

THE DAILY NEWS.

Largest Circulation.—THE DAILY NEWS, BEING THE NEWSPAPER OFFICIALLY RECOGNIZED AS HAVING THE LARGEST CIRCULATION IN THE CITY OF CHARLESTON, PUBLISHES THE LIST OF LETTERS REMAINING IN THE POSTOFFICE AT THE END OF EACH WEEK, ACCORDING TO THE PROVISIONS OF THE NEW POSTOFFICE LAW.

LOCAL MATTERS.

CHEAP ADVERTISING.

THE CHARLESTON NEWS, the circulation of which is about twice as large as that of any other paper published in South Carolina, is the best advertising medium for all business men. For persons who want negotiations or servants; who want houses or apartments, or have them to rent; who want or who offer board and lodging; who have lost or found articles of value, THE NEWS has no equal; and in order that all classes may have their wants supplied, we have adopted the following scale of CHEAP ADVERTISEMENTS, payment for which must invariably be made when the order is given:

Advertisements of situations wanted by or offered to clerks, governesses, tutors, workmen, mechanics, house-servants, porters, shopkeepers, cooks and waiters; board and lodging wanted or offered; apartments wanted or to let; articles lost or found; houses, shops, offices and warehouses wanted or to let, and miscellaneous wants of all kinds.

For each insertion of advertisements of the classes specified: Not exceeding THREE LINES or 30 words... 25 cents. Four lines or 30 words... 40 cents. Five lines or 30 words... 50 cents. All advertisements to be inserted at these rates must be prepaid and delivered at THE NEWS office by 9 P. M.

MEETINGS THIS DAY.

NEW TOWNSHIPS OF DARLINGTON COUNTY.—The following are the names of the townships into which Darlington County has been divided: Sherman, Lincoln, Lantry, Brown, Thad, Stevens, Wright, Bates, Hamilton, Boston, Holliman, Smith, Whittemore, Sotter, Humphrey, Thomas, Grant, Colfax, Bollins.

ANNIVERSARY OF THE EPISCOPAL CHURCH SUNDAY SCHOOL.—The fifty-second anniversary of the Sunday School of the Episcopal Church will be celebrated at St. Philip's Church, this afternoon, at five o'clock. A sermon will be delivered by the Rev. Everett C. Edgerly, and reports read by the superintendent of the different schools.

THE BREAKING OF GENERAL O'NEIL.—An adjourned meeting of the committee having in charge the arrangements for a mass meeting to welcome the Fenian President, General O'Neil, of New York, took place in the lower room at Hibernian Hall last evening. The preliminary business was the reading of a resolution, and it was decided to give him such a greeting as will show that he has a place in the hearts of all true Irishmen.

BRUTAL ASSAULT ON A WOMAN.—A white woman, by the name of Sullivan, living in McBride's Lane, yesterday took out a warrant, in Magistrate Mackay's office, for the arrest of a white man by the name of Larrabee, who, she said, had brutally assaulted her in the face, with his fist, inflicting bloody bruises. The warrant having been placed in the hands of Officer Nicpore, he arrested the assailant, who in default of bail was "sent up."

THE CUBAN REVOLT.—An ex-colonel of the Federal Army arrived here yesterday in the British schooner Lion, having left Nassau on the 12th instant. He reports considerable activity among the Cubans at Nassau in the shipment of a battery and war material. Fifteen Armstrong guns had been sent to the insurgents, besides large quantities of grape and canister. The old blockade runner steamer Genoa, now known as the San Salvador, of Nassau, and commanded by Captain Carlin, was running between Nassau and Cuba, in the interest of the insurgents. But faint hopes were entertained of the success of the rebels, who were reduced already to a system of bushwhacking warfare, and whose only hope lay in the speedy opening of the rainy season.

HOTEL ARRIVALS, MAY 17.—(Charleston Herald.)—A. M. Latham, St. Andrew's; Thos. C. Lee, Columbia; Professor Cushman, Canada West; Wm. Sipeer, Indiana; C. O. Bowen, City; Fred. Beck, Geo. Tybring, S. H. Gray, New York; C. C. Soule, Boston; Isaac Snively, Pittsburgh; M. Thompson, New York; A. Bibane, Massachusetts; Wm. H. Boyce, Bonnetville; W. T. J. O. Woodward, South Carolina; A. Burch, Charney; A. Findlay, Brooklyn; Wm. C. Butler, Nashville; A. F. Fitz, Mrs. Mallory and son, Miss Mallory, Florida; Mr. and Mrs. J. Yan, New York; J. L. Pennock and lady, Philadelphia; Geo. C. Boggs, Columbia.

THE RADICAL RING AND THE CITY OFFICERS.—The publication in THE NEWS, yesterday, of the Loyal League slate for city officers, created a prodigious stir among the faithful of that organization, and a little consternation among some of the would-be candidates. Several new aspirants for official honors rose to the surface yesterday, prominent among whom was the renowned Sam D'okerson (colored), who intimated that he would have no objection to being clerk of the Board of Firemasters. Captain George Little, however, is the favorite for that berth, and Sam having received the unmistakable cold shoulder, considers himself as one more walking argument to the proverbial ingratiation of republics. L. V. Woolf is in the ring for chief, and J. M. Viney (colored), an ex-orderly sergeant of colored troops, for lieutenant of police. Private Holloway (colored), of the police force, is talked of for orderly sergeant. Dr. T. E. Hertz is among those mentioned for city registrar.

There seems, after all, to be a degree of method in the madness of the Radical ring, for we hear no serious talk of placing improper persons at the head of our admirable fire department; and though Chief Nathan is not viewed with favor, the only name so far mentioned in connection with his position are those of Assistant Chief R. M. Alexander and B. M. Strobel, Esq. The latter gentleman is said to be a favorite among the colored element.

THE STATE ASSESSMENT.

We learn through official sources that according to the returns already in from twenty-nine counties, with two more to hear from (Richland and Charleston), the indications are that the amount assessed as the value of real and personal property in the State will not exceed one hundred and thirty millions of dollars. The probabilities are that the State Board of Equalization will raise the assessment of property to about two hundred millions in order that the per centum of taxation shall not exceed one-half of one per centum, or fifty cents on one hundred dollars. To fix the rate of taxation with an assessment of one hundred and thirty millions would be very nearly one dollar on the hundred.

The returns of personal property are universally very much below what was expected. For instance, the whole number of horses returned is forty-two thousand, and the highest average value seventy-five dollars. The returns of merchandise are also far below expectations.

In the matter of real property there is very little difference in the present valuation over that of 1887.

As an example of the way in which property has been assessed, the average value of arable lands in Orangeburg is \$1.75 per acre, while the highest average of the best lands will be found in Georgetown County at \$18 per acre. The county which returned the highest general average of land throughout is Darlington, which is about \$5 per acre.

We learn that the State Auditor, Mr. Tomlinson, as soon as the per centum of taxation is fixed, will make a full statement of the returns for publication. One-fourth of the revenue to be raised will go to pay \$250,000 past due interest on the Statehouse debt. To pay the running expenses of the State Government would not require more than one-quarter per centum taxation. Over \$500,000 past due interest is to be paid out of the taxation for the current year.

Comparing the valuation of 1887 and that of the present year, we find that the average value of real property in Abbeville County, for 1887, was \$3 per acre; the average value of the same property this year is \$3 per acre. In 1887, Abbeville returned 593,590 acres; in 1888, the returns are 603,243; Barwell County returned in 1887, 994,335 acres, at a valuation of \$2,542,650; in 1888, the returns are 920,389 acres, at a valuation of \$2,974,985. Darlington County, in 1887, returned 465,483 acres, at a valuation of \$2,994,170; in 1888, the returns show 457,667 acres, at a valuation of \$2,280,679. Darlington is the only county in which there has been any considerable increase over the valuation of 1887.

THE STEAMSHIP MANHATTAN.—It affords us satisfaction to notice the regularity and dispatch which mark the movements of the superior steamships now employed from this port to New York. Their speed, accommodations, and the security and reliable character of the vessels, both as passenger and freight carriers, are all that the public can desire. Among these steamers, the Manhattan, of the "Admiral line," has been particularly successful, and we are pleased to learn that this fine ship, which left here on Saturday last, reached New York in the quick time of fifty-two hours, arriving at that city yesterday.

REPORTERS' CRIMES.—The doll Virginia Lee, raffled the second time, at the Widows' Home, a few days ago, was won by Miss M. Grayson, of New York.

A Philippi was yesterday appointed a member of the detective police force. Chief Justice Chase will not be in Charleston until Thursday.

Council meets to-night, and it is understood that the resolution to take the power of appointing the standing committees away from the Mayor will be vigorously pressed.

The Germania Bund go on a picnic to-morrow at the Schuylersplatz.

The State Medical Association meets in Charleston on the 20th instant, with a view to reorganization. A good city directory is badly needed in Charleston; also, an intelligible codification of the city ordinances.

Professor Pike, colored, of the Baker Theological Institute, delivered a sermon to a large assemblage in the Chapel opposite Military Hall last evening. His subject was "Recognition of Friends in Heaven."

There is a decided disposition among the substantial colored element to strengthen Mayor Pillsbury's hands.

There is great feeling in the Republican ranks because Mayor Pillsbury has not appointed men of their party as delegates to the Memphis Convention. It is said that those whom he would have appointed could not raise the necessary "spontaneous."

THE UNITED STATES COURT, MAY 17.—JUDGE DAY presiding.—The grand jury returned into court with the following finding: Emanuel Parker, violation of internal revenue laws—no bill. The petitions of John T. McGowan and E. W. Charles, Jr., for final discharge, were referred to the registrar. It was ordered that Luke Smith, of York, show cause on the 25th instant why he should not be declared a bankrupt. The judge rendered his decree in the case of the owners and crew of the steamship Oriental against the brigantine J. L. Frye. He decreed salvage to the amount of \$4700 in favor of the libellant.

The grand jury made the following presentment: To the Hon. George S. Bryan, Judge United States District Court.

The grand jury beg leave to report that they have visited the Charleston jail for the purpose of examining the condition of the United States prisoners therein confined, and beg to make the following report: That the prisoners in which they were confined were in a state of cleanliness, and the prisoners had only the complaint for the want sufficient ration, which they represented to be either a pan of mush without salt, and small piece of beef or bacon per day, which they stated was the daily ration of some. Others represented that they received two loaves of bread and a similar quantity of meat as above. We took occasion to take a statement by examining other prisoners, and have brought with us a small portion of ration of meat, and also a piece of bacon, which is the amount of the daily ration. The bread distributed to some of the prisoners in lieu of meat was of a good quality.

One of the prisoners, Isaac C. Williams, complains that at the time of his commitment institution, he was told to be a prisoner, which was confirmed in a letter to the warden, which was stated was the daily ration of some. Others represented that they received two loaves of bread and a similar quantity of meat as above. We took occasion to take a statement by examining other prisoners, and have brought with us a small portion of ration of meat, and also a piece of bacon, which is the amount of the daily ration. The bread distributed to some of the prisoners in lieu of meat was of a good quality.

We would also present, as a case of hardship, the cases of Ben Johnson and William Taylor, the former sick and in hospital, and the latter confined in a jail in the tower, which was in a filthy condition. They were arrested on a charge for burglary, and lodged in jail on the 8th of May, 1888, and have not yet been brought to trial. These two have no means of State prisoners, but we still leave to present them to your notice. The prisoner William Taylor claims to be a British subject.

Very respectfully, FRANCIS G. CART, Foreman.

HOM-MADE SUGAR FROM SORGHUM.—There may be seen in THE NEWS office a sample of sugar made from the sorghum cane by Dr. W. P. Passmore, of Greenville. Some of this sugar was exhibited at the Agricultural Convention, where it attracted general attention.

WETTING THE PRIZE BOWL.—The regular monthly meeting of the Palmetto Steam Fire Engine Company was held at the hall last evening. After the business of the evening had been dispatched, the magnificent Atlanta prize bowl was placed on a centre table and the members and some invited guests present partook of frequent libations of delicious punch. Major Buist, of the Stonehills, entertained the company with a speech that made the banner-decked and flower-crowned hall ring with applause. Speeches were also made by various members of the Palmetto and the Stonehills, and sentiment succeeded sentiment, until the elegant emblem of Georgia liberality and Charleston pluck was drained of its refreshing contents.

A Card.

TO THE EDITOR OF THE NEWS. I observe in your issue of yesterday, that my name has been connected with the office of City Attorney. I am at a loss to know the foundation for your statement, as I am no applicant for office, and regard the manner in which my name has been used as hurtful to me. Respectfully, W. H. SCHROEDER.
